

Let's talk about your project.

Tell us what you're imagining and we'll come back with pricing and a plan. If you're unsure about any detail, skip it — that's what the conversation is for.

Worth a thought: where is this piece going, and what does it pass through to get there? Doors, elevators, stairwells — if it's a tight route, tell us in the notes on the last page and we'll design for easier installation.

02 Woodwork

Complete this page only if your piece includes casegoods — tables, credenzas, millwork, storage. Pick what you know, skip what you don't. "Not sure yet" is a perfectly good answer.

Fabric

Fabric shapes the quote more than you'd expect. Send us a link or photo of your material with this form — patterns that repeat or need matching are more labor intensive, and seeing yours lets us price it right the first time. Haven't chosen yet? No problem — we'll quote with a standard allowance and confirm pricing once your fabric is decided.

- ☐ Providing my own material (COM / COL)

Fabric name / link, if known:

Yardage (We fill this in once we see your fabric):

Send us your fabric selection and we'll calculate the exact yardage your piece needs — no over-ordering.

- ☐ Selecting from the Wise Living fabric collection

Choose from our curated fabric collection and have one less thing to worry about — materials we know, love, and price with confidence. Browse the collection at [wiselivinginc.com/fabrics].

04 The bigger picture

Back to everyone. A little context lets us quote accurately the first time.

WHEN DO YOU NEED IT?

☐ Within 2 months ☐ 2–4 months ☐ 4–6 months ☐ Flexible / exploring

REFERENCE PHOTOS OR SKETCHES — highly encouraged

Attach any reference photos, drawings, or sketches when you send this form back. Napkin sketches welcome — we've built beautiful things from less.
